

Against the Grain: Raising Christ-Focused Children from A to Z (Morgan James Faith)

Parenting can be tough. We can use every bit of encouragement we can get! Dr. Michele White takes a different path than most in navigating parenting challenges. Drawing on her experience as a counselor, behavioral psychologist and mother of five, she's created an A-Z guide to timeless parenting wisdom. Using Scripture, counseling wisdom, and practical experience, Dr. White gives you a resource you can revisit at each stage of your parenting journey to implement in your home with your kids. There is so much laughter within our home, Dr. White writes. It is my joy to share our journeys with you.
