

Give It Back!: Gods Weapons for Turning Evil to Good

It is time to understand spiritual warfare from God's vantage point. Many believers have become insensitive, numb, and virtually powerless to deal with the occult in the world today. But this is not going to stop demon-busting pastor Kim Daniels. In her loving yet confrontational style, she exposes the enemy's infiltration and strategies to keep us spiritually dumbed down. This primer on spiritual warfare is written with a military flare. Using her military training, she delivers a message that teaches believers to confront the devil and his demons in a great spiritual battle and come out victorious in God.
