

# Criminology

Tim Newburn's bestselling Criminology provides a comprehensive and accessible introduction for students of the subject, providing the basis for all undergraduate degree courses or modules, and for new postgraduates, in Criminology. This second edition includes: a complete update of the text, including more cross referencing and links to further reading, both in print and online; a new chapter on Green Criminology; coverage of all major areas of Criminology and Criminal Justice, as well as guidance on how to research, and dissertation/long essay writing; a brand new website, which includes answers for all Review Questions in the text, interactive questions for self-study for students and assignable questions and customisable PowerPoints for instructors (<http://www.routledge.com/cw/newburn>) see inside cover for further details. Extensively illustrated and fully updated, this authoritative text is written by a leading criminologist and experienced teacher. Criminology is essential reading for all students of Criminology and Criminal Justice.
