

Drugs on Trial: A Prevention Program for High School

The Drugs on Trial series addresses the dangers and consequences associated with the most-widely abused substances: marijuana, prescription drugs, and new in 2011, inhalants. Drugs on Trial includes the most current information and captivating storylines to enhance learning and keep students engaged and interested. Each program includes an audio CD and a CD-ROM with facilitators guide, prosecutors files, reproducible materials, and parent information available in English and Spanish.
