

El bautismo de su bebe (guia del instructor) (English and Spanish Edition)

En esta guía para el instructor encontraras elementos utiles para explicar a papas y a padrinos todos los elementos relacionados con el sacramento del bautismo. Incluye tambien elementos pedagogicos, tips practicos y citas de la Sagrada Escritura y del Catecismo que ayudan a contextualizar mejor cada idea en el conjunto de la ensenanza catolica. Por ultimo, tambien encontraras concordancias entre este manual y el DVD complementario El bautismo de tu bebe, de tal manera que cuentes con apoyo audiovisual que te sirva para afianzar la explicacion de los distintos textos de este manual. En resumen, este manual esta pensado para ayudar a papas y a padrinos a que vivan el bautismo de su bebe con la mas profunda de las conciencias y a que obtengan el mayor provecho espiritual. This guide for coordinators and leaders of baptismal preparation classes follows its companion piece, Your Babys Baptism for parents, page by page, providing references, tips, and resources along the way. It also gives instructions on how to prepare parents and godparents for the sacrament, facilitate meetings, and use the coordinating Your Babys Baptism DVD in conjunction with the parents booklet.
