

From Alcoholic to Apostolic: From Sinful Addiction to Divine Deliverance

Tomorrow, I do not know what it will bring, but I know who holds tomorrow in His hands. If I rise up tomorrow, I know it will be a great day because God will be there along my side. He has brought us from a mighty long way and He has so much more to offer us; He has been with me since day one. Joe Ortega author of *From Alcoholic to Apostolic: From Sinful Addiction to Divine Deliverance*. Joe Ortega, Desert Storm veteran, husband, father, and man of God recounts his struggle with addiction, evil and destructive abuse of his family. He invites the reader to embark on a series of his life events, first examining his life prior to drinking. His candor in expressing his motives for drinking, and openness in relaying his family history creates an absorbing narrative any reader can connect with. Throughout his journey of self-reflection, he admits himself into a rehabilitation center where he experiences a divine intervention, finds peace and moves on to embark on other ventures. Later, a relationship with God slowly develops as you realize where his turning point begins. Ortega discloses memories of his childhood familys struggles and his mothers admirable devotion to her family. Ortega later learns the power of Gods deliverance and his wifes intercessory prayers, as Ortega becomes free from alcoholism and serves the Lord for over twenty years. His wife and family both have stood by his side, exemplifying the dynamics of a strong Christian family. As time passed I gave an ear to learn more about God and His purpose at Calvary. It took awhile to surrender my entire life to Him once I understood where I stood with Him. I was a sinner and needed a savior. Now thirty years later, I have no regrets. Every single day I have gained the strength to overcome any adversity.
