

Mining For Heavenly Gold On Earth: How to Center Yourself On What Is Authentic

Mining For Heavenly Gold While On Earth
Nothing in life is free, not even Heaven, but it is a gift of invitation to love. Ironically, you can only get to Heaven with the help of Gods grace. Once you choose spirituality, your life becomes a daily struggle to keep yourself centered on what is authentic. In this sense, you are in a continuous challenge to discover what is meaningful and where to find it. Spirituality allows you to dig beneath the surface of what you can see, feel, smell, touch, and hear. The struggle to be spiritual is a lot like mining for gold in the Old West. You must work hard to dig out the treasures that are hidden from view, and also, you must know where to find these authentic values. Like the merchant looking for fine pearls in Matthew 13:45-46, when he finds one of great value, he sells all that he has and buys it. What would be worth the price of living with God in Heaven...Forever? Are you willing to pay that price? This book is a guide to help you center yourself on how to find the authentic, fine pearls of this life, or how you can mine for heavenly gold on earth, so that you will receive the reward you so richly deserve-- Heaven. Everything else in life supports that purpose.
