

## Your Dreams are Your Successes

Your Dreams Are Your Successes, represents another valuable contribution of the writer Jouberto Delana to all readers. A dedicated pastor of an active church in the USA, in addition to successful entrepreneur, the author gathers the necessary qualifications to write this book. As well as the pastor or the preacher must live what they teach or preach; It must occur to the writer as well: he must live the message that he writes. Jouberto is that person. His contagious Christian enthusiasm and his sound theological formation form the backdrop for this motivational and uplifting reading. In fact, how not to be positive in the face of the raptures of faith from the heroes of the Bible, proclaiming we are more than winners for him that loved us and God acts in all things for the good of those who love him, who have been called according to his purpose? We know that God created each one of his children and gave them freedom to dream about their goals and provisions to achieve their targets. Nothing wrong with being a dreamer; Be those who dream the dreams of God. God always accomplishes the dreams of those who diligently seek him, so dont give up, dont be discouraged, persevere, trust in the Lord, for He is at your side to help you dream about your goals and to achieve your targets. Even when feeling scorned by everyone, even discredited by your friends or persons of your own coexistence remain steady, because the author of the dream didnt give up on you, because this same God dreamed of bless you, make you happy, making a life of prosperity and success as He had done with Joseph, accomplishing all of his dreams, making a significant mark in the history of the old testament. It is worth observing this story to be encouraged in each of our plans. This fantastic God performs, Yes, performs our projects, when positioning us and persevere in Your perfect will. Genesis 37: 6, 7 s.

And he said unto them, Hear, I pray you, this dream which I have dreamed: For, behold, we were binding sheaves in the field, and lo, my sheaf arose and also stood upright, and behold, your sheaves stood round about, and made obeisance to my sheaf.
