

## Super Ace and the Mega Wow 3000 (I Can Read! / Superhero Series)

Space hero Super Ace is called to planet Floop because the Mega Wow 3000, a spaceship loaded with food for hungry children, will not go. Super Ace tries to use his super powers, (strength and good looks) to fix the ship. With his big arms, he bends and lifts and moves the Mega Wow. Pieces of the Mega Wow snap and pop, but the ship still will not work. When the ships owner turns to Sidekick Ned, Super Ace laughs. But Ned uses his God-given wisdom to find the key that turns on the ship. Now the hungry children will get their food! This level-two I Can Read book uses engaging characters and a simple plot to build childrens confidence as they discover the joy of reading independently.
