

# If Only Someone Had Told Me: Wickedly Straight Talk About Parenting Kids Ages 0-6

If Only Someone Had Told Me is a blunt, sardonic, BFF survival guide to parenting in the early years. Written by two working mothers living in Palo Alto and keeping it real, Chara Burnett and Helen Waters expose the unexpectedly turbulent realities of raising young children in a metro area. Hair-raisingly hilarious, the authors lay bare the shocking and unmentionable from family finances to preschool interviews, head lice to food allergies while offering perspective, tips and practical advice. This book is a great read for parents of kids all ages, but is also meant to prepare and validate new parents, and reassure them that they are not alone. **TABLE OF CONTENTS**
