

## Joseph Study Guide with DVD: Waiting on Gods Timing, Living in Gods Plan (A Living, Loving, and Overcoming Bible Study)

We all have dreams for how our lives will?or should?turn out. Many times these are dreams that have been impressed on us by God himself. But when will they stop being dreams and turn into reality? When will these dreams be fulfilled? And what do you do in the meantime? Joseph: Waiting on Gods Timing, Living in Gods Plan is a six-session video-based Bible study examining the life of the biblical character of Joseph, the ultimate dreamer, giving you insight into the power of your choices as you wait on God while pursuing your dreams. As a teenager, Joseph had big dreams, but events seemed to circumvent those dreams and landed him in slavery in Egypt. Through this experience Joseph learned to trust in Gods plan for his life, remain obedient and make wise choices, even when they resulted in a jail sentence! Ultimately, Joseph realized his dreams and was reunited and reconciled with his family and was able to be used by God to save millions of people from starvation. God has dreams for your life as well. If you wait on Gods perfect timing, make wise and biblical choices, you too, like Joseph, can see your God-given dreams become reality. In this entertaining and enlightening video-based Bible study, Michelle McKinney Hammond will help you: Learn how relationships affect our destiny Unite your desires with Gods purposes Walk faithfully with God as you wait on his timing This fresh look at Joseph helps you discover new insights and provides a powerful witness to Gods timing and plan for you that will leave you feeling challenged, encouraged, and deeply valued. Study Guide is also available (sold separately).
