

The Context of Prosperity

*(MonaVie Edition) The Context of Prosperity is a conversation about a created context of Empowerment, Prosperity and Connection used to unleash possibilities in the domains of wellness, the environment, prosperity, community, creative solutions and personal power. Learn how to make the money you desire while also creating a better world. Have you ever wondered if we were missing it? Does something deep inside your heart long to break free of the status quo? Are you hungry for an authentic prosperity that addresses the problems of our world with tangible, even radical solutions? With an urgency that seeks to awaken a sleeping world mired in the comfort of middle ground, The Context of Prosperity gets to the heart of the matter and leaves you wanting more - more of the authentic power that offers a prosperous life for all. Here to uplift the world through markets and networks while using self-empowerment to create prosperity as a lived reality, Najuma Abiela brings a renewed focus and a game plan for moving communities forward through a shared commitment to common aspirations.
