

The Genuine Flow

There is a genuine flow of the Holy Spirit! . . . and many worthless imitations. Mel Montgomery learned about spiritual gifts and prophetic ministry from the Goodwins, who were mentors to Kenneth Hagin, John Osteen, Billye Brim, Pat Harrison, and many others. Eventually, Brother Mel was entrusted with rare early Pentecostal recordings, most of which had never before been copied or released to the public. These recordings were by: Howard Carter, Stanley Frodsham, F.F. Bosworth, and other faith giants of yesteryear. Mel discovered that the deep truths of the Holy Spirit, as taught by the Goodwins and the early Pentecostal giants, had been largely obscured in our day. In *The Genuine Flow*, Mel presents the teachings of the early faith giants, combined with his own experiences in ministry. You will learn how the faith giants flowed in the Spirit, and how you can too. Brother Mel ministers in local churches and in ministers meetings. Mels website, www.brothermel.com, has been accessed over 2 million times by people downloading his teachings and recordings in more than 150 countries. His podcast, *Voices of the Faith Giants*, is heard around the world.
