

# Love Reading: How To Help Your Child Improve Their Reading Skills.

At the very core of a child's success is their ability to read at grade level, a skill that affects not only the child's learning, but also their self-esteem amongst their peers in class. Love Reading is a simple step-by-step guide for parents to help their child read better. Written in easy-to-read language, the book outlines a sequence of specific lessons geared to solving a variety of reading problems while providing insights and suggestions to help frustrated parents understand the underlying causes that may affect a child's ability to learn. As schools today rely more and more on parents to supplement daily lessons, Love Reading provides parents with the tools necessary to help improve their child's reading skills at home. A lifelong educator specializing in remedial reading, Dr. Anne Marfey earned her PhD. in early childhood education. Her proven teaching techniques have helped children overcome reading challenges and build confidence in their own ability to succeed. Throughout her distinguished teaching career, Dr. Marfey has taught both children and adults as well as lectured for educational training programs on the topic of remedial reading.
