

Glimpses of the Association Between Fairy Tales & Homeopathy

Understanding a typical character or a particular behaviour and interpreting its components into homeopathic terminology to arrive at the simillimum is a basic but difficult task for a homeopath. This is where this book provides additional knowledge and skill to the homeopath of the modern era. Fairy Tales, their Characters, The Modified Fairy Tale Test, The Archetypes and Symbols etc. are new tools added by Dr. Farokh J Master to Homeopathic case analysis to access the altered patterns of patients psyche. Understanding and treating the patient on such a deep level brings marvelous cures not commonly achieved by similarity of superficial symptoms. The author makes his work comprehensive and practicable by his analytical approach and descriptive cases. The book is the result of the author's deep and extensive study of the subject and a must read for every homeopath.
