

Questions on a Starry Night (The Unknown Preacher Book 2)

A set of questions that you may have asked yourself on a dark clear night as you looked up in the heavens at a myriad of shining stars. It is the second in a series I have written under my pen name The Unknown Preacher. I have written six Christian fiction novels under my real name but I use a pen name with these because I don't want to offend anyone including my parents with my spiritual ramblings.
