

Taking Sides: Clashing Views in Childhood and Society

From McGraw-Hill Contemporary Learning Series (formerly known as McGraw-Hill/Dushkin), this Seventh Edition of **TAKING SIDES: CHILDHOOD AND SOCIETY** presents current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript. An instructors manual with testing material is available for each volume. **USING TAKING SIDES IN THE CLASSROOM** is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom.
