

## Fun With Faith Club

Those words launched one mother into a faith-based effort to provide an after school Bible Club for her daughter and friends that developed into a 6-year odyssey of writing and teaching a curricula which is now in use by hundreds of mothers to reach children for Christ across the United States and in several foreign countries. The Fun with Faith Clubs, Inc. operates a childrens ministry of after-school Bible Clubs, in both public and private schools. Over the past 15 years, we have reached over 10,000 children, and their parents, grandparents, and friends with the true teachings of Gods Word, the Bible. Our prayer is that we can reach many more through the publication of this manual. This manual contains the curricula and ideas for how you can easily operate a childrens Bible Club at a time convenient to you and your group of children, ages kindergarten through 2nd grade. Curricula are available for children through grade 6, so you can continue the teaching through the primary school years. The ministry operates a web site at [www.funwithfaith.com](http://www.funwithfaith.com), which provides additional informa-tion and opportunities to participate in operating and supporting this ministry. There is a pass-word protected area with additional resources, i.e parent letters, artwork, a leaders chat room, etc. which is helpful to our leaders in operating a Fun with Faith club.
