

The Future of Evangelicalism in America (The Future of Religion in America)

In *The Future of Evangelicalism in America*, thematic chapters on culture, spirituality, theology, politics, and ethnicity reveal the sources of the movements dynamism, as well as significant challenges confronting the rising generations. A collaboration among scholars of history, religious studies, theology, political science, and ethnic studies, the volume offers unique insight into a vibrant and sometimes controversial movement, the future of which is closely tied to the future of America.
