

## The Promise

Like a photo shoot, pictures flashed in Anthony's head as he reflected on the first time he heard the horrifying clank of the barred door that was now staring at his back, he vividly recalled, his face smashed against the dusty police car, bright red and blue Lights blindly flashing in his eyes. Everything was a blur! His heart beating so fast and pounding so hard he could hardly hear the cop as he repeated his words Do you understand your rights! A preacher's son on the way to a place deemed worse than hell! Just a teenage boy when he was facing those bars, now a man 7 years later who has made a promise to himself to rectify his wrongs. Read this captivating story about a young man's journey into manhood down a twisted road through tragedy and triumph.
