

## Dont Shoot the Horse

Randy Hayes has served in many different capacities of ministry. He has pastured, been a youth leader and childrens minister. He served as Chaplain for a rescue mission and therefore has worked with people in many different stages of life and numerous situations. Randy has worked with addicts and children, the homeless and the prosperous, and has collected loads of testimonies where God has touched the lives of hurting people. He has witness many trials and even more victories, and shares them with humor and somber conclusions. Dont Shoot the Horse is simply a book of encouragement, offering hope to the reader. The chapters are short and to the point, making it easy reading. Some of the chapters, as one reader described, will make you laugh out loud; other chapters will make you say Oh man. The chapters Thanks a Lot (Living a life of gratitude), The God of Broken Pieces and Regaining Your Footing were written after the authors world fell apart, and God starting putting it back together. His unique way of looking at things will help to inspire you to notice the many gifts the Savior bestows on us each day, and encourages you to stand still and see the salvation of the Lord.
