

Valentin Weigel: Selected Spiritual Writings (Classics of Western Spirituality (Paperback))

Represents the most influential and important writings of the founder of the Spiritualist movement during the Protestant Reformation. Readers will find in this volume an introduction to life, times, and writings of Valentin Weigel (1533-1588), a German teacher and theologian who articulated a variant of the Protestant Reformation known as Spiritualism. Spiritualism refers to a form of dissent emphasizing spiritual or inner dependence from rules, ceremonies, and the visible or organized church. Offered here for the first time in English are a selection of Weigels most important and characteristic works. Together, these works present the heart of Weigels thought, which championed tolerance and individual conscience in an age of confessional hatred and religious war. Weigels writings embody Spiritualist theory at its most accurate. They complete a missing chapter in the history of mystical literature and therefore are of supreme interest to those who study:
