

What the Mother of a Deaf Child Ought to Know (Dodo Press)

John Dutton Wright (1866-1952) was an American author. His works include: *What the Mother of a Deaf Child Ought to Know* (1915) and *Educational Needs of the Deaf*. As a mother of a deaf child, and one whose experience has been unusual only in that it has been more fortunate than that of the average mother so situated, I want to place before you (the teachers of the deaf) a plea for the education of the parents of little deaf children.
